Students can log into their school accounts at [www.kingstoncityschools.org](http://www.kingstoncityschools.org), where they will have access to Microsoft Teams, Word, PowerPoint, Excel, and so much more. From this home base, students can open Office apps in their web browser. Microsoft Teams can be accessed online

Students can turn in their assignments by navigating to the **Turn In** tab in the **Turn In** channel of their class team, then selecting an assignment. They can attach any appropriate work and select **Turn In**. Assignments you've turned in will have a checkmark. Open one to view feedback and scores after your teacher has returned it. You can also select an attached rubric to review more details on your score.
