

ANNUAL DISTRICT ELECT

- submitted 60 days in advance of the annual election to facilitate the preparation and printing of the ballots.
3. Propositions must include the specific appropriations necessary for the purposes listed.
 4. Wording of a petition must comply with legal requirements. If the wording does not comply, it may be changed or altered by the Board, or the Board may reject a petition for failure to comply.

Propositions received in accordance with these specifications will be placed on the ballot as amendments and will be voted upon by the voters in the same manner as the proposed budget, except that the Board shall not be required to place any proposition on the ballot which is within the exclusive province of the Board, or otherwise forbidden by law. No proposition involving the budget may be submitted to the voters more than twice within a twelve month period.

The Board may also, on its own motion, submit propositions.

Improper Advocacy

The district may provide informational material to the voters concerning budgets, propositions, or other matters before the electorate. However, school district funds and resources may not be used to exhort voters to support a particular position. For example, the district will not engage in activities including, but not limited to, sending flyers supporting the budget home with students, providing mailing labels for materials supporting a proposition or using the district e-mail to deliver promotional material for candidates.
